Good afternoon Jenny,

Thank you for the information! I am sorry for the delayed response, I was out of the office for a majority of the week. I am hoping to set up a call with you either Monday or Tuesday of next week to discuss the study in more detail. I would love to talk about the information I requested and get a better understanding of the sampling methods. Is there a day/time that works best for you?

Thank you in advance,

Subject: Your Questions about the Northeast Juneau County Groundwater Investigation

Hi **Ex. 6 Personal Privacy (PP)**,

I just left you a voice mail regarding your inquiry into our Northeast Juneau County Groundwater Investigation. Cheryl Burdett, of the Clean Water Act Enforcement Branch, led the investigation and wrote the report. I am copying her on this e-mail. I am an engineer in the Ground Water and Drinking Water Branch on detail to another position until January and I worked on the investigation with her. A link to Cheryl's report is here:

This report will answer many of your questions, but it will not answer all of them. If you give me a call back, I can discuss your request with you. My phone number is (312)353-3115.

Thank you,
Jenny
